

POSTGRADUATE SCHOOL NIGERIAN DEFENCE ACADEMY KADUNA IN COLLABORATION WITH UMARU SHINKAFI CENTRE FOR AFRICA EXTRACTIVE POLICY RESEARCH PROFESSIONAL POSTGRADUATE PROGRAMME 2017/2018 ACADEMIC SESSION

SALE OF APPLICATION FORMS

1. Applications are invited from suitably qualified candidates for admission into Professional Master programme in Energy Security Management (MESM) for the 2017/2018 Academic Session. The sale of Application Forms shall be open from 23 June 2017 – 21 September 2017.

POSTGRADUATE DEGREE PROGRAMMES

2. A professional Master programme in Energy Security Management (MESM) is available for interested candidates.

PROGRAMME DESCRIPTION

The MESM programme is robustly structured as a research Master's degree on the interdisciplinary concerns on Energy Security of African countries and its interaction with national security. It is also connected with the drafting and negotiation skills for the investments, financial, tax, royalty, contracts administration, project management, supply chain management, trans-border maritime, legal and arbitration aspects of the oil, gas, mining and renewable energy sectors of African countries.

It is pursuant to the above focus that the MESM programme covers the syllabus and deliveries that are known with the disciplines of LLM, MBA and MPA with international benchmark and from an African perspective. The MESM programme shall discuss Energy, Security threats from the producers as well as from the buyers' perspective.

The MESM programme shall similarly introduce students to legacy and contemporary issues pertaining to the ownership of energy resources in Africa and how these legacy issues have affected the development of the energy resources in the continent as well as the continent's long term strategic interests.

The MESM programme shall use world class peer reviewed approach and training that are knitted in the emerging licencing regimes for the extractive sector.

Lectures and research shall be delivered in par with those who are the primary target of the programme. Students can access their individual portal and e-library research, peer reviewed books and journals online from Hein Online, Westlaw and Lexis Nexis through our ICT platform.

DURATION OF PROGRAMME

3. Each admitted student for the master's degree programme shall pursue 18 months (3) semester of study for course work and final year project.

ADMISSION REQUIREMENTS

4. A first Degree with minimum of Second Class Lower Division in Geology, Law, Sciences, Political Science, Taxation, Economics, Business Administration, Accountancy, Statistics or International Relations is the criteria for admission to the MESM programme. Other criteria are as stipulated by the National University Commission (NUC) Nigeria.
